

# Kyle Slaughter

Web Developer

## 👤 Profile

Beginner web developer capable of creating quality full stack applications. Capable and willing to learn any new technologies. Proficient in nodejs, express, mongodb, react, vite, typescript, etc.

## 📁 Employment History

### Delivery Driver at Pizza Hut, Commerce City

February 2023 — August 2023

Consistently delivered customer orders on time while ensuring that the contents were correct. Cleaned the store and taught myself how to take orders, answer phones, and cut pizzas. Followed store safety regulations and encouraged the rest of the team to deep clean the store.

### Self-employed Web Developer

May 2023

Learned how to create full stack apps and how to sell them to people. Followed client instructions on what kind of website to create. Created smooth functioning back-ends and successfully linked them to the front end using modern technologies.

## 🎓 Education

### DU Web Dev Bootcamp, Denver University, Denver

May 2023 — August 2023

Graduated with a 92% and positive outlook from my peers.

### Highschool Diploma, Stargate High School, Thornton

August 2018 — May 2022

Took mostly honors/AP classes, graduated with a 3.97 GPA. Took high level calculus classes my last few years. Scored a 1470 on the SAT in my junior year.
